Terms and Condition by Air Freight

*Rate valid for stackable and for general cargo only.

*Subject for space availability upon booking confirmation

*Shipper and consignee should provide all required document and any certificate require in origin and destination for export and clearance under their own license.

*Shipment should be suitable packed by air cargo unless packing charge will apply.

*Final chargeable weight will be based on the final AWB upon receiving the shipment in our warehouse, whichever is higher from actual weight and dimension with calculation of L x W x H / 6000.

*Its shipper and consignee responsibility to load and unload the shipment at Origin and Final Destination, unless request.

*Rate valid for 7 days or upon prior notice.

*Other charges not mentioned above will be at cost if require, like shipping insurance, etc. For any airline and to any destination: space is limited, timely booking is needed
